

I'm Free

Don't grieve for me, for now I'm free.
I'm following the path God laid for me,
I took his hand when I heard him call
I turned my back and left it all.

I could not stay another day
to laugh, to love, to work, or play.
Tasks left undone must stay that way.
I found that place at the close of day.

If my parting has left a void
Then fill it now with remembered joy
A friendship shared, a laugh or kiss
Ah yes, these things I too will miss.

Be not burdened with times of sorrow
I wish you the sunshine of tomorrow.
My life's been full, I've savored much
Good friends, good times.

Perhaps my time seemed all too brief.
Don't lengthen it now with undue grief.
Lift up your heart and share with me.
God wanted me now, he set me free.
