

## CHIQUITITA

Chiquitita, tell me what's wrong  
You're enchained by your own sorrow  
In your eyes there is no hope for tomorrow  
How I hate to see you like this  
There is no way you can deny it  
I can see that you're oh so sad, so quiet

Chiquitita, tell me the truth  
I'm a shoulder you can cry on  
Your best friend, I'm the one you must rely on  
You were always sure of yourself  
Now I see you've broken a feather  
I hope we can patch it up together

Chiquitita, you and I know  
How the heartaches come and they go and the scars they're leaving  
You'll be dancing once again and the pain will end  
You will have no time for grieving  
Chiquitita, you and I cry  
But the sun is still in the sky and shining above you  
Let me hear you sing once more like you did before  
Sing a new song, Chiquitita  
Try once more like you did before  
Sing a new song, Chiquitita

So the walls came tumbling down  
And your love's a blown out candle  
All is gone and it seems too hard to handle  
Chiquitita, tell me the truth  
There is no way you can deny it  
I see that you're oh so sad, so quiet

Chiquitita, you and I know  
How the heartaches come and they go and the scars they're leaving  
You'll be dancing once again and the pain will end  
You will have no time for grieving  
Chiquitita, you and I cry  
But the sun is still in the sky and shining above you  
Let me hear you sing once more like you did before  
Sing a new song, Chiquitita  
Try once more like you did before  
Sing a new song, Chiquitita  
Try once more like you did before  
Sing a new song, Chiquitita
