

Your Mother

Although you cannot hear her voice

Or see her smile no more,

Your *M*other walks beside you still

Just as she did before.

She listens to your stories and

She wipes away your *T*ears;

*S*he wraps her arms around you

And she understands your fears.

It just isn't visible

To see with the human eye,

But talk to her in silence and

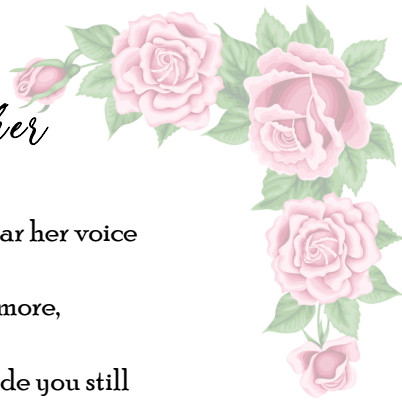

*H*er spirit will reply,

You'll feel the *l*ove she has for you

You'll hear her in your *H*ear;

*S*he's left her human body but

Your souls will never part.
