

THE IMPOSSIBLE DREAM
Written by Adam Evans, grandson

My Grandpa grew up in Germany
He didn't live there in harmony.

He grew up under communism
He escaped with God watching over.

When he got to U.S.A
He had \$60.00 dollars to pay.

He had to learn to speak English
He listened to women at the market buying fish.

My Grandpa put himself through college
It gave him lots of knowledge.

Then he married my Grandma
Which made him my Grandpa.

He went on to business
Like insurance, satellites, and mining.
He saw first hand dishonesty, pain, and lying.

My Grandpa has a dream
He calls it the Impossible Dream.

His dream is to have world peace and love
He knows that God is assisting and watching from above.

So my Grandpa followed his vision.
And created Impact and its mission.

Freedom to "Be" and heal from the past
Breakthrough and "ah-ha's" come very fast.

Quest, Summit, and Lift Off too
Even the ropes course let's you be you.

Now my Grandpa is living his dream
Inspiring others to join the real team.

With win\win, honesty, and trust leading the way
Accountability, and love create a new day.

In gratitude, my Grandpa's dream is complete
His painful experiences will not repeat.

My Grandpa, my hero, my friend and ally
I trust him I love him, on his example I rely.
