MORE TIME

Verse 1

I wish I could capture every word that you say
It's just so insane how I learn something new each day
And I know your time will come
But I don't want you to go away
If time could just pause right now
There's no price I wouldn't pay

You tell me your stories from a little hut in Tahiti
You tell me of grandma and how she was your only lady
You teach about Jesus
And you've loved him all your life
I just have so much to get through
So, tell me one more time

Verse 2

A little farm up in Coalville
Milking cows at 5AM
Your dad went away to war
And he never came back again
Your mom was so strong like you
And such a worker too
I need to hear more of her
And how she made you, YOU

You tell me your stories from a little hut in Tahiti
You tell me of grandma and how she was your only lady

You teach about Jesus
And you've loved him all your life
I just have so much to get through
So, tell me one more time

time for you and grandma to dance around the moon
And my heart is breaking in two, but I know I'll see you soon

So, tell me
What's your favorite story from that little hut in Tahiti
tell me more about grandma and why she's your only lady
Tell me why you love Jesus
And how he's helped you all your life
I just have so much to get through
So, tell me one more time
Cuz I just need more time
