

### ***In Appreciation***

*The heart does not forget the things  
That made life more complete.  
But keeps instead in memory  
The smile so warm and sweet.  
The words of kind encouragement  
That made a burden lighter.  
The many little thoughtful acts  
That made the day seem brighter.  
The heart does not forget such things,  
I know that this is true.  
Because my heart is always filled  
With special thoughts of you.*
