Easter Song (My Happiness)

by K. Marie Breese

We were intelligence before Heavenly Father and Mother had us.
They gave us a spirit. After a time we could no longer progress.
We needed a body. Heavenly Father called all
of his children together to talk about earth life.
Lucifer gave a plan to take away the agency of men.
Christ gave a plan of agency and glory be to the father.
A war broke out. Christ won.
Lucifer was cast out of the host of heaven along
with a third of the host of heaven.
Some spirits that voted for Christ helped to
cast out the third from the host of heaven.
Yes, just like the scripture said,
he was born in a manger, shepherds came to see him,
wisemen came to see him when he was a child, and gave him gifts.
His earthly father and mother went looking for him.
They found him in the temple teaching and answering questions.
John the Baptist baptized him and then a dove went on him.
He fasted for 40 days and was tempted,
said some scriptures and cast out Lucifer from him.
He chose 12 disciples.
