

In Loving Memory

Leslie Boyd Brewer, age 78, passed away peacefully in his sleep, January 31, 2022. He was born February 26, 1943, to John and Theresa Brewer in Mt. Pleasant, Utah.

Dad married our Mom, Sharon Hardman, November 16, 1961. Together they raised their three daughters, Sheri, Kris and Melanie in Millcreek, Utah.

Boyd was an avid fisherman, and kept his pole in the trunk, just in case. He also enjoyed hunting in Mt. Pleasant, where he spent his childhood. He loved bowling and spent many years on different leagues, missing that perfect 300 score by one pin. Golfing was another favorite hobby.

After retiring from his tire business, B&R Tire, he worked as a golf Marshal and bartender at the Salt Lake Country Club.

He loved spending time at his daughter's home in Kauai, making lifelong friends there also.

Boyd made many friends everywhere he went. He taught his daughters to work hard, be honest and always have a spirit of adventure.

He was everyone's biggest cheerleader and supporter. He was fiercely proud of each and every member of his family.

He is survived by his wife of 60 years, Sharon, daughters, Sheri (Carey) Middleton, Kris (Mike) Straub, and Melanie (Marvin) Cameron.

Grandchildren, Carissa (Rob), Wesley (Summer), Lindsey, Colby (Annie), Kassidy (Garett), Caitlin (Drew), Wade (Jess), Wilson (Whitney), Alessia (Gavin) and Casey. Great-grandchildren, Mackenzie, Hailie, Callie, Beau, Cambree, Brody, McKinley, Lilly, Ember, Adelaide, Braylee, Charlotte, and Blakelynn.

Also survived by his brothers, Gary and Randy, sisters, Karen, Teri and Sue.

Preceded in death by his parents, and special nephew, Ryan.

"Glad you got to see me today"

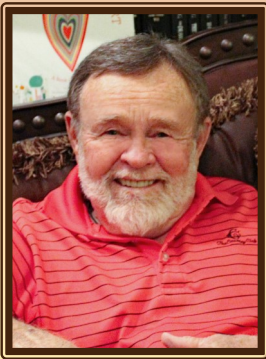

"I bet you can't wait for tomorrow? Why, because you get more beautiful everyday"

"Things My Gramps Taught Me"

By Lindsey Straub

Work hard - play harder - be proud of who you are - family is everything - "bonehead" is a term of endearment - ALWAYS be on the lookout for deer - that boat is for fishing, not skiing - yard work is good for you - girls can do anything boys can do - make friends everywhere you go - always have a joke at the ready, bonus points if it's naughty - the pool sticks are not for playing with - we get more beautiful every day - never step over the line on the bowling lane - the dome lights in a truck are magic and will work if you snap your fingers - hitting a bucket of balls is therapy - show up for everything and everyone you care about - eat the soursop - salt the front steps - Italian Village is a family tradition for all ages - the camping trailer MUST be level - and always, always love grandma.
