

Time

We cannot time the sunrise We could not set the timer
Nor the glow as it goes to bed, For the rainbow to appear,
Nor can we time the minute We can only enjoy its wonder
The moon will shine ov'r head. As long as it is here.
We do not know the time We cannot change the calendar
Rain will start to drop, Add, delete, or trim it,
And we cannot time exactly But we can add a lot of joy
When the rain will stop. In all the time that's in it.

I Feel My Savior's Love

I feel my Savior's love in all the world around me.
His Spirit warms my soul through everything I see.

Chorus: He knows I will follow him. Give all my life to him.
I feel my Savior's love, The love he freely gives me.

I feel my Savior's love; its gentleness enfolds me,
And when I kneel to pray, my heart is filled with peace.

Chorus

I feel my Savior's love and know that he will bless me.
I offer him my heart; my shepherd he will be.

Chorus

I'll share my Savior's love by serving others freely.
In serving I am blessed. In giving I receive.
