

And if I go,
while you're still here....
Know that I still live on,
vibrating to a different measure
behind a thin veil you cannot see through.
You will not see me,
so you must have faith.
I wait for the time when we can soar
together again
both aware of each other.
Until then live your life to the fullest.
And when you need me,
Just whisper my name in your heart,
.....I will be there.
