

In Loving Memory of

*God saw you were getting tired and
a cure was not to be,*

*So He put His arms around you and
whispered, "Come with me."*

*With tearful eyes we watched you
suffer and saw you fade away.*

*Although we loved you dearly,
we could not make you stay.*

*A golden heart stopped beating,
Hard working hands to rest.*

*God broke our hearts to prove to us,
He only takes the best.*
