

## *Norma's Testimony*

*I have such a love for my Savior and I am surely glad He is the one in charge. It makes a big difference. I have a very strong testimony of the Church of Jesus Christ of Latter-Day Saints and in my Heavenly Father and in the Holy Ghost. I know the Holy Ghost is there because a lot of times we would be doing things and be prompted to know something should be done. If you follow those promptings you are usually on the right track. It is a good thing to listen to the spirit. I love my Savior. He is the example we all want to follow and be like.*
