

In Loving Memory

Odetta Lee Wilcox

1946 ~ 2026

"I bear witness of that day when loved ones whom we knew to have disabilities in mortality will stand before us glorified and grand, breathtakingly perfect in body and mind.

What a thrilling moment that will be!

I do not know whether we will be happier for ourselves that we have witnessed such a miracle or happier for them that they are fully perfect and finally "free at last." Until that hour when Christ's consummate gift is evident to us all, may we live by faith, hold fast to hope, and show "compassion one of another."
