**Their Love Song by Nat King Cole**  
**'Too Young'**

*They try to tell us 're too young, too young to really be in love*

*They say that love's a word, a word we've only heard*

*But can't begin to know the meaning of, and yet we're not too young to know*

*This love will last though years may go, and then someday they may recall*

*We were not too young at all, and yet we're not too young to know*

*This love will last though years may go, and then someday they may recall*

*We were not too young at all*

*In Loving Memory*
