

In Loving Memory

*Father, cheer our souls tonight;
Lift our burdens, make them light.
Let thine all pervading love
Shine upon us from above.*

*Calm the surges of the soul;
Bid the dark waves backward roll.
Let us all thy mercies feel
Thru the pow'r thou dost reveal.*

*Bless our loved ones far away;
Grant them health and peace we pray.
In their hearts let holy light
Beam to guide their steps aright.*

*Let implicit faith and trust
Help us know thy ways are just.
May thine ever tender love
Lead our hearts to thee above.*
