

Footprints in the Sand

One night I dreamed I was walking
along the beach with the Lord.
Many scenes from my life flashed across the sky.
In each scene, I noticed footprints in the sand,
Sometimes there were two sets of footprints,
other times there was one only.

This bothered me because I
noticed that during the low periods of my life,
when I was suffering from anguish,
sorrow or defeat,
I could see only one set of footprints,
so I said to the Lord.

"You promised me Lord,
that if I followed you,
you would walk with me always.

But I have noticed that
during the most trying periods of my life
there has only been one set of footprints in the sand.

Why, when I needed you most,
have you not been there for me?

The Lord replied,

"The years when you have seen only
one set of footprints,
my child, is when I carried you."
