Family Prayer was given by Miles Kelsey

It's a wonderful thing to have family
You know will be there to the end.
There's someone else you know you can
count on
A true and faithful friend!

Someone who shares in your troubles,
Those willing to give her all
To lighten the load you carry
To help pick you up when you fall.

To stand by your side and celebrate
The blessings and the trials.
Who brightens your day by being there
Bringing comfort and cheerful smiles.

Someone who knows your talents and
flaws
Who never judges or shames
A friend dear and true who cares about
you
Sonja is her name!
