

Heaven's Special Child

A meeting was held quite far from earth.

"It's time again for another birth,"

Said the Angels to the Lord above,

"This special child will need much love.

His progress may seem very slow,

And he'll require extra care

From the folks he meets way down there.

He may not run or laugh or play

His thoughts may seem quite far away,

In many ways he won't adapt,

And he'll be known as handicapped.

So let's be careful where he's sent

We want his life to be content.

Please, Lord, find the parents who

Will do a special job for you.

They will not realize right away

The leading role they're asked to play,

But with this child sent from above

Comes stronger faith and richer love.

And soon they'll know the privilege given

In caring for this gift from Heaven,

Their precious charge, so meek and mild

Is Heaven's very special child!"
