Lamar's Favorite Quote...

daring greatly

"It is not the critic who counts;
not the man who points out how the strong man stumbles,
or where the doer of deeds could have done them better.
The credit belongs to the man who is actually in the arena,
whose face is marred by dust and sweat and blood;
who strives valiantly; who errs, who comes short again and
again, because there is no effort without error and
shortcoming; but who does actually strive to do the deeds;
who knows great enthusiasms, the great devotions; who
spends himself in a worthy cause; who at the best knows in
the end the triumph of high achievement, and who at the
worst, if he fails, at least fails while daring greatly,
so that his place shall never be with those cold and timid
souls who neither know victory nor defeat."
