

Masterpiece = Dad

God took the strength of a mountain,

The majesty of a tree,

The warmth of a summer sun,

The calm of a quiet sea,

The generous soul of nature,

The comforting arm of night,

The wisdom of ages,

The power of the eagle's flight,

The joy of a spring morning,

The faith of a mustard seed,

And the depth of a family need.

Then God combined these qualities

And there was nothing more to add.

He knew his masterpiece was complete

And so he called it DAD.
