

“I Know The Book Of Mormon Is The Truth”
A Song Written By Bill Stewart

1. I know the Book of Mormon is the truth.
Moroni’s promise fulfilled while in my youth.
I know it is the word divine.
I feel it in this heart of mine.
I know the Book of Mormon is the truth.

2. Joseph knelt and prayed to God above.
The Father and the Son appeared with love.
The Savior said, “Don’t join a church,
You’ve got a work to do on Earth.”
I know the Book of Mormon is the truth.

3. I know it is the word divine,
I feel it in this heart of mine.
I know the Book of Mormon is the truth.

4. Delivered to young Joseph were the plates.
And he translated them with haste.
Bringing forth the church once more
And he opened many doors.
I know the book of Mormon is the truth.

5. We have the Gospel here with us today.
And our Savior’s here with us to stay.
Our Prophet guides the Church divine,
I feel it in this heart of mine.
I know the Book of Mormon is the truth.

6. I know it is the word divine,
I feel it in this heart of mine.
I know the Book of Mormon is the truth.
I know the Book of Mormon is the truth!
