

FINN & COLTER: A COLORING BOOK OF COMFORT OUR GRIEF THERAPY DOGS

Hi we are Colter and Finn.
We are grief therapy dogs for
Larkin Mortuary.

We live in Utah

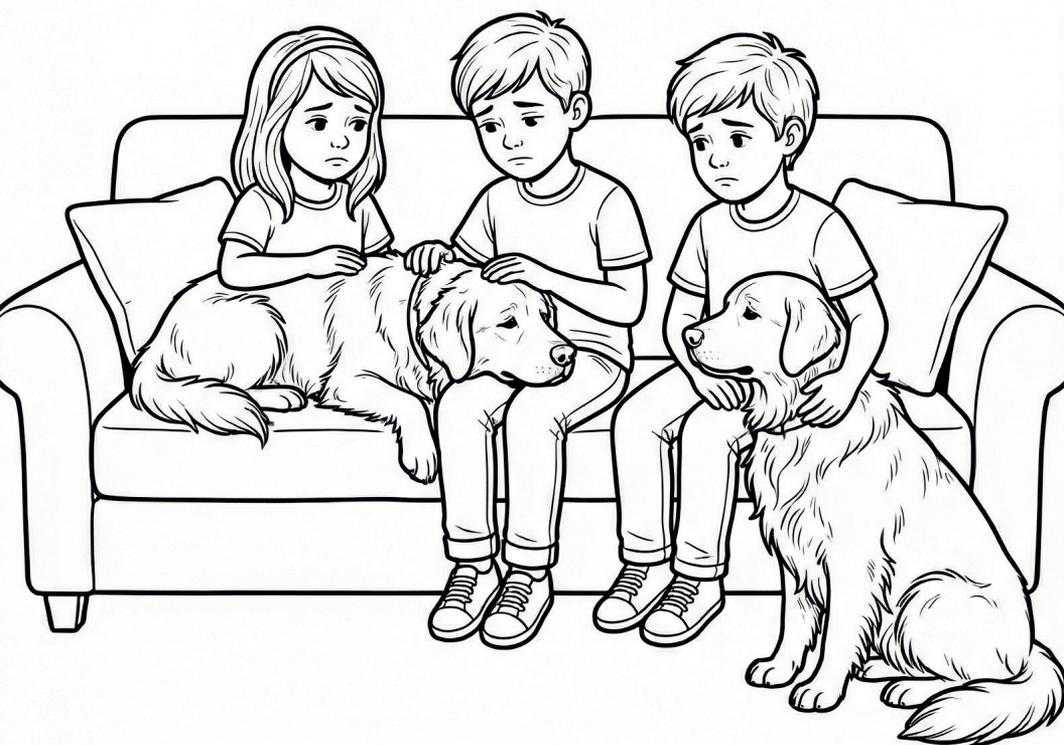

OUR JOB IS TO
COMFORT YOU
WHEN YOU'RE SAD.

Did you know dogs can smell feelings? I can tell when you need a cuddle just by using my nose.

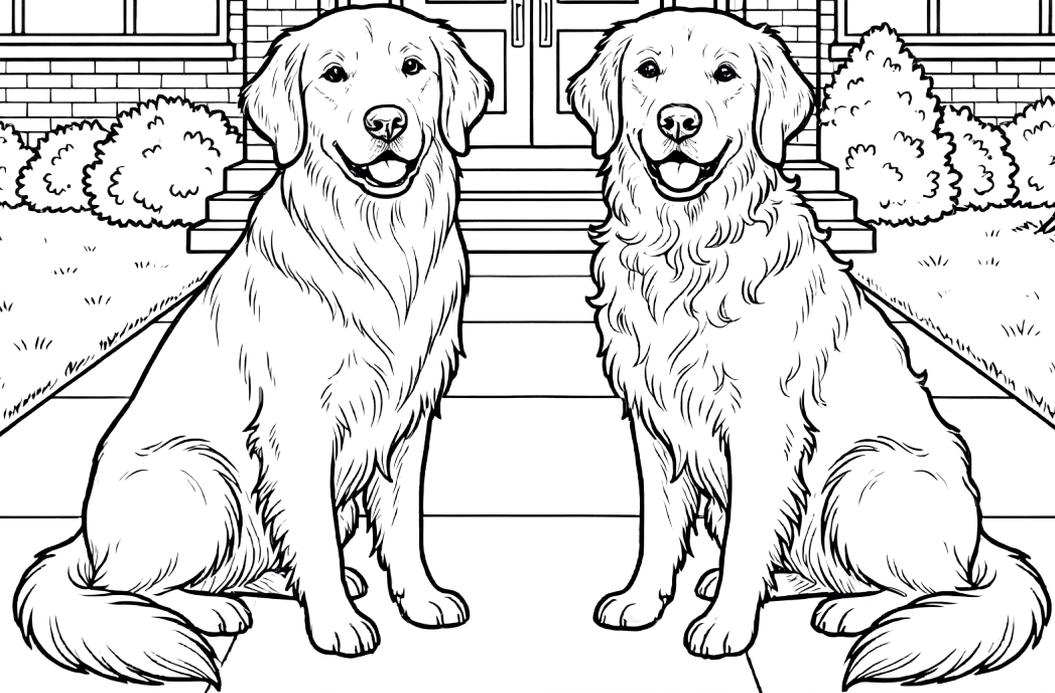

We are very good listeners.
You can tell us anything, or we
can just be quiet together.

We Visit Schools.

A black and white line drawing of two fluffy dogs, possibly Golden Retrievers, sleeping on a rug. The dog on the left is curled up, and the dog on the right is lying on its side with its head resting against the first dog. A speech bubble above them contains the text. The background shows two windows with multiple panes and a potted plant on the left. The floor is made of wooden planks.

**Being a helper
is hard work! Sometimes
we need a big nap.**

Sending you big,
furry hugs to take
home with you.

Hi, I'm Finn! When I'm not wearing my therapy vest, I love exploring the outdoors on long hikes. My absolute favorite things are playing with tug toys, getting tummy rubs, and munching on crunchy dog biscuits.

Hi, I'm Colter! I love swimming in the water and playing with my basketball. Even though I'm a big dog, I still sleep with my special stuffed animal every single night. My favorite person in the whole world is my boy Izaak.
