What Products do we offer?

We are a credit broker not a lender. We can introduce you to a limited number of lenders who may be able to assist you with your requirements. We will only introduce you to these lenders. The lenders we work with only offer unsecured personal loans which are in no way connected to products or services offered by any other business. Loans brokered by us provide no protection under section 75 of the Consumer Credit Act 1974 for products or services purchased using these funds.

Other Finance Facilities

You may be able to obtain funding for your purchase from other providers and you are encouraged to seek alternative quotations and details of their products by researching on the high street, in the media and online.

What will you have to pay to us for this service?

You will not make any payment to us for processing a finance application or for introducing you to a finance provider. All charges that you will pay including, interest, documentation fees, where applicable, will be clearly shown on the finance agreement.

We may receive a commission payment from the finance provider if you decide to enter into an agreement with them. You can request us to disclose the amount of any commission received.

Understanding our products and documents

If you have any health issues, difficulty in understanding information or there any recent life events that could affect your ability to fully understand the information and documentation you are presented with or what your commitments are under the agreement, you should carefully consider the amount of time you require to review the documentation. You should also consider if it is advisable for you to have someone you know, help you make your decision. Please advise us accordingly if this is the case and we can then proceed with your requirements in the most appropriate way.

You should make sure you have sufficient time to assess the information given to ensure the funding option offered is suitable for you and meets your requirements. You should seek further explanations and ask questions if needed to fully understand the documents you are given.

Affordability

You should assess the monthly payments you are required to make throughout the agreement and ensure you are able to meet these obligations and other obligations you already have without suffering undue hardship. If you are aware of any future events that will affect your ability to meet these payments, you should ensure the provider is informed immediately.

Your credit rating could be adversely affected if you do not make payments when due which could make it harder or more expensive for you to access finance facilities in the future.
