

South Dakota Junior Point Show Association

Sanctioning Rules

Shows desiring to be sanctioned for the SD Junior Point Show must abide by the following guidelines:

1. Sanctioned shows **must** offer *breed* classes for breeding heifers and market beef and market lambs
 - (Market lamb breeds are **Hampshire, Suffolk, Crossbred, Dorset, Natural, Southdown, and Speckle Face**), regardless of the number entered in a breed division. Ewes & Wethers show together, and split them by breed.
 - Swine are shown in the following divisions: **Purebred Gilt, Purebred Barrow, Crossbred Gilt, and Crossbred Barrow.**
 - Market Goats will be shown in a **market doe, and market wether** divisions. **Breeding Does** will be shown according to age with a 3 mo. minimum and no max.
 - Market Cattle Breeds: **Classes should be split by divisions below and then by weight)**
 - **Market/Feeder Heifer (*Do Not split these by breeds!*)**

2. Fall heifers (2018 born) are allowed to accumulate points. Points are not available for cow/calf pairs. When making selections for Champion and Reserve Champion make sure that your judge is aware of this. Please choose a top 5 in beef.
3. For **showmanship** please record the top 5 names in each age division and how many participants were in the age division. Please take time for showmanship, as this is a category all members are competing in.
4. All points recorded in a breed class are based on actual number of breed cattle that enter the showing regardless if they are point show members or not. The points exhibitors receive will be based on their actual placing in the junior show. The show committee can use their discretion and combine 1 head entries into an AOB class, but please write down what breed they actually were. The animal needs to be recorded on paper as the breed it represents and will get points based on # of breed animals shown. Example: 1 Angus Steer and 1 Shorthorn Steer are shown together in an AOB named class. Angus steer would receive 5 class points plus 5 bonus for being champion Angus steer by default and the Shorthorn would be scored the same. If there are 2 or more animals of a breed, you must have a breed class for those individuals.
5. Breeds have to be indicated on results sheet. When entries are taken, exhibitor must indicate to what breed they want their points allocated.
6. Official show results must be sent back to Audra Scheel within **10 days** following the show. Results must be turned in on the sample result sheet or similar format. **Please do not calculate the points.** Shows at the end of the year (Brown, Turner & Central States) have 3 days after their show to turn in results. Results may be photographed and texted to Audra as long as they are legible.
7. SDJPS program will conform to any specific rules established by that particular breed association.
8. Youth are to check with each individual fair for specific arrival and release times and dates.
9. Youth need to fill out and returned membership forms to Audra Scheel along with their dues. **Please do not collect money for SDJPSA registration.** Ask all exhibitors to mail completed entry form and fee to Audra.
10. Entries will be accepted anytime throughout the showing year. There will be a **7 day** grace period after each show in which individuals can get entry forms in so points from that show will be counted.
11. SDJPS recommends that sanctioned show's make exhibitors show their registration papers when exhibiting purebred livestock. Registered livestock needs to be in the exhibitor or family name unless a lease paper accompanies the registration paper.
12. Requests for sanctioning, an official show flyer, and \$100.00 per species should be sent to:
