

About us

We specialise in providing first class professional education for all the major accounting and tax qualifications from our modern premises, opposite the new Reading rail station.

Our aim is to offer a fresh and enjoyable experience to studying these challenging qualifications, allowing all students to reach their full potential in a professional and supportive environment.

All our tutors are qualified accountants with a wealth of teaching and management experience. Together with their passion and enthusiasm for the subjects, they can provide invaluable insights into exam strategies and tips for success.

Combined with our wonderful customer service team, we believe we have something very unique to offer you.
