Notes: **Early and Late options** - In London there is a choice of dates for some courses, an early or late option. You should attend all stages of the taught course, and a revision course. There is no difference in the content of the early or late option.

Awareness revision - this course comprises of 3 revision days (1 day for each module) plus a revision mock on the morning of the 4th day.

Question Days - these are in addition to the revision course, and do not form part of the GPS package.
