CHAMPIONSHIP POINTS – MX/SX

Championship points will be tracked by the rider’s name and AMA member number. Unless designated as NON-POINTS, all scheduled races are point races.

“There are 23 races (46 motos) in the District 13 schedule. Points will be calculated based on a “points per moto” system including both MX & SX events

A rider must run a minimum of 13 races, to challenge for district year end awards and must finish in the top 10 in points for his/her class to receive year end awards.

All races run will count toward championship points with this exception; Only 18 races (36 motos) of the 23 races (46 motos) will be used to determine final places in the 2020 Championship.

A rider running more than 18 races (36 motos) will be allowed to replace any results that were less than his/her replacement race, effectively replacing a bad moto with a better moto.” There will be a total of 4 throwaway races which will include any cancellations that may occur.
