

EASTSIDE CATHOLIC

Join us for summer!

Madden Xbox Tournament with Prizes

Microsoft will be helping us to host a bracket-style Madden tournament, with prizes including an Xbox One, Xbox custom controller, and lots of cool swag. We will also have high powered laptops with free play Overwatch and League of Legends to play in between matches. The final eight players in the tournament bracket will go to the Microsoft Store in Bellevue on Day 2 (Saturday) to compete in the Grand Finals. If you do not make it to the Final 8 in the bracket, don't worry; the Microsoft Store in University Village will have more free play and gaming on Saturday!

Register today!
