

Standard Finishes, Available On Every Color

Riven Slate

Riven Slate Shot Blast

Smooth

Smooth Shot Blast

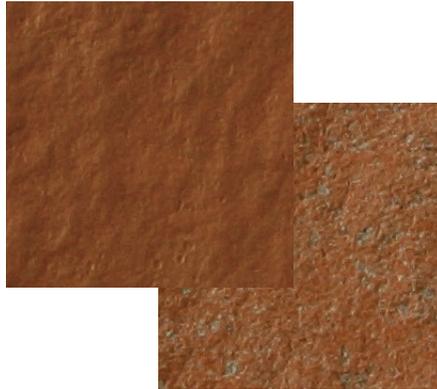

Light Stone color used for example. Petrarch offers four standard finish options: Riven Slate, Riven Slate Shot Blast, Smooth, and Smooth Shot Blast. When looking at the colors, Riven Slate and Smooth colors are the same shades, and Riven Slate Shot Blast and Smooth Shot Blast are the same shades. Only the textures vary. Custom colors available.

Printed colors and textures shown may vary from actual product samples and are for reference only. View actual panel samples before making final selection. All Shot Blast finishes are applied after base panel manufacturing (additional cost). Riven Slate texture is directional in the long or eight foot and ten foot dimensions.
