

Matchmaking

Rhodes Harvey introductions established for 15 years concentrates on finding the most eligible and commitment minded people for it's exclusive clientele. In this last 12 months we have seen two engagements and a wedding, with several new relationships just beginning which we contribute to our careful and selective process of finding the right matches for our clients.

What is our Passive "Open data base" Membership

Our *Passive* open data-base is for educated, attractive professionals seeking a serious committed relationship. It is, as the name suggests, passive, we are not actively working for you, placing searches for you or providing any pro-active work for you. However, it provides huge opportunities to be SEEN and SELECTED by genuine and invested people seeking marriage or a life partner. YOU will be attractive, educated, professional within a healthy weight to height ratio. Ideally you will reside in London or surrounding counties, but if you live further afield, you are still welcome as our aim is to create a data-base of exceptional people giving our clients the BEST and widest opportunities of finding their IDEAL MATCH. MEN: need to be minimum height: 5'8" - FEMALES: minimum height:5'2". This is an exclusive opportunity with great potential to be hand picked as an introduction by any one of our clients or if other matchmakers contact us seeking matches.

You agree and understand you are simply *being retained for the purpose of providing our FULL MEMBERSHIP clients an additional source of potential matches*. You also agree to meeting with the agency in Oxfordshire IF you're chosen as an introduction and YOU want to meet that client. If you are selected you'll be contacted by the agency with the clients profile so you can make your decision. You may be contacted once, several times or not at all, it all depends on our clients requirements and whether you're selected. However, most people would receive 1 or 2 interested clients over a 6/8 month period within a 50 mile radius of London. No introductions are given without meeting with the agency, and like all our clients, you would be required to provide three documents (top part utility bill/council tax/phone bill/any official letter addressed to you) for ID.
