

RGB IP67 Mini Spot User Data

CS3-SS STEPLIGHT 3 WATT 3 CHANNEL

Our colour changing Mini Spot takes the technology of our MR16 downlights and scales it down into a stainless steel MR11 sized housing, ideal for internal and external marker light applications.

The CS3 excels on all levels of performance providing perfect colour mixing at source, with high performance Red, Green & Blue Luxeon LEDs, neatly packed into an IP67 stainless steel housing.
