

Abstract AVR Limited Warranty

Abstract AVR Ltd warrants that the Abstract AVR Ltd standard Product(s) shall be free from manufacturing defects in materials and workmanship for a period of two (2) years from the original date of purchase at sales invoice, provided that the Product was properly installed and used. This warranty excludes any bespoke manufactured products. Defects, malfunctions or failures of warranted Product(s) caused by damage resulting from acts of nature (such as floods, fire, etc.), environmental and atmospheric disturbances, other external forces such as powerline disturbances, incorrect cabling and damage caused by misuse, abuse, accident, incorrect wiring, use in violation of operating instructions furnished by us and unauthorised alteration or repair are not warranted.

This warranty does not cover any incidental or consequential damages and is limited to the back-to-manufacturer repair and/or replacement, at Abstract AVR Ltd's sole discretion, of the defective product during its warranty period. Customer must obtain a Return Material Authorisation (RMA) number prior to returning the defective Product to Abstract AVR Ltd for service. Customer agrees to insure the Product or assume the risk of loss or damage in transit, to prepay shipping charges and to use the original shipping container or equivalent. Customers may either seek assistance from the original dealer, or Abstract AVR Ltd directly. Repaired or replaced products are warranted for ninety (90) days from the date of repair or replacement, or for the remainder of the original product's warranty period, whichever is longer.

LIMITATION OF LIABILITY

The provisions of the warranty are in lieu of any other warranty, whether expressed or implied, written or oral, and Abstract AVR Ltd's liability arising out of the manufacture, sale or supplying of the product and its use, whether based on warranty, contract, negligence, product liability or otherwise shall not exceed the original cost of the product. In no event shall Abstract AVR Ltd be liable for unintended or consequential damages, including, but not limited to, loss of profits or use damages arising out of manufacture sale or supplying of the product.
