
MOLLY DENNIS - COMMITTEE MEMBER

I was born and educated in this town with its former rich history. I have been associated for many years with voluntary organisations that offer support and a listening ear to those less able, whether through age or Disability and am currently member of: Learning Disability Partnership Board, Dignity and Respect Action Group of Southend University Hospital, SAVS Health and Wellbeing Group and until recently Vice-Chair Southend Carers Forum.

Fast approaching 80 and a full-time carer myself, I am aware how important it is to feel that our needs and concerns are recognised and addressed by the Authority to help prevent social isolation and preserve dignity, health and well being and quality of life for our residents both now and in the future.

My hobbies WHEN I have time are geology, archaeology, handicrafts, music, poetry and watercolour.
