

# ROCKY MOUNTAIN DISTRICT

Church of the Nazarene

August 2015

*A Note from Coach Bill Carr. . .*

*Our District Assembly is now a memory, our reports have become part of the historical record of the past; summer is quickly slipping by; and we are soon to enter into fall and the season of harvest.*

*It is my continuing prayer that this church year will become a turning point year for each church and for our District as a whole. Turning points are never easy, as they will demand continued efforts in prayer, obedience to God's leading and in some instances changes in church structure and program. They may also demand changes in mission emphasis and purpose. Turning points always move us from the acceptance of "the way things are" to a new vision focus of "the way things can be."*

*I believe this is the year that the Rocky Mountain District turns the corner and we begin together to write a new chapter of our story that celebrates a season of harvest, a season of growth in Christlikeness, and a season of sowing the seed of the Good News of Jesus to our respective communities that the Holy Spirit uses to bring forth new followers of Jesus into our communities of hope, help, and healing.*

*Creating Communities of Hope, Help, and Healing across Rocky Mountain,
