

# SUMMER 2017 DEPUTATION OPPORTUNITY

# RMD

## Our district *LINKS* Missionaries to visit this summer.

The Bill Kwons family seeks to “*Go beyond the Walls* (Joshua 6:20).”

After experiencing repentance and eternal salvation in 1998, Dr. Donghwan (Bill) Kwon obeyed the call of God into ministry. Ten years of fruitful ministry at Asia-Pacific Nazarene Theological Seminary (APNTS) and the Philippine field, the Kwons are now going beyond the comfort zone. In July 2014, Dr. Kwon started serving as Myanmar country coordinator for the Southeast Asia field. In January 24, 2015, he was appointed as the District Superintendent of Yangon District. The goal is to work to transform individuals, plant churches, and multiply disciples and leaders in the country.

You and your church can hear first-hand accounts of God’s amazing works through their ministry by inviting them for a deputation service this summer.

Definite Dates of the tour are yet to be finalized. Please email Caroline Gilroy at [CCGILROY@OUTLOOK.COM](mailto:CCGILROY@OUTLOOK.COM) to be included as a host church.
