

Business Travel Accident Policy

CA Technologies employees are eligible for free business travel accident insurance when traveling on business outside their country of permanent residence. Employees can call the central service center for assistance with this policy while traveling or for claims.

This policy covers travel medical assistance, worldwide travel assistance, security assistance, VIP concierge services and identity theft. Coverage is effective for any trip lasting up to 180 days.

Highlights include:

- Supplemental out-of-country medical expense coverage with 24/7 Assistance Services
- Emergency medical evacuation and repatriation
- Referrals top hospitals and providers
- Accidental death & dismemberment benefit of three times annual salary

Countries with a business travel accident policy already in place will continue to receive the same level of benefits; however, benefits differ by country and local practices.
