E - ear tag       I - Implant       T - Tattoo, brand or ear notch

**Certification:**

I CERTIFY THAT (Please check all that apply):

- The animals listed hereon are identified with official USDA ID assigned to the flock of origin by USDA unless identified with individual official ID and listed above or on an attachment.
- The animals are identified with a registered brand or ear notch pattern of the flock of origin, the animals were born and have resided in a commercial low risk flock throughout their lives, and the brand inspection certificate is attached.

Owner Signature \_\_\_\_\_ Date \_\_\_\_\_

**ATTENTION MARKETS, DEALERS, AND BUYERS**

This document meets APHIS record-keeping requirements for animals identified prior to arrival at a concentration point. Markets and dealers must keep and retain separate business records that indicate the purchases of the animals listed on this owner statement. For any animal that requires a health certificate, a copy of the health certificate must also be retained.

COPIES CAN BE PRODUCED LOCALLY.
