Make Item Summary view optional

Users will now have the option to “turn off” the Item Summary view. The default setting will be “On”. If you disable Item Summary view it will also be removed from the Show All view.

This can be found on the Gradebook Tab under Gradebook Setup>Preferences

Make Gradebook icons consistent across Gradable Content Items

The icons for Threads and Dropbox will be updated to match Exams. “- -” means that a student has not yet entered the item and “*” mean that the item is not yet graded
