INVITATION

Dear fellow bowler

Last year we staged the first “**Risbygate Masters**” indoor bowls tournament which attracted a large audience with a world class line up including Greg Harlow, Ellen Falkner, Mervyn King, Rebecca Field, Mark Royal, Les Gillett, Billy Jackson, and others. Our first “Masters” was won by the current ladies world champion Katherine Rednall in a tough final with Wayne Willgress.

This year we have an equally competitive line up which includes many of the aforementioned and the contest will be fought out on **Sunday 18th February** at the Risbygate Sports Club in Bury St Edmunds with coverage by all local and regional press and ITV Anglia News.

As fellow bowlers, many who would have visited us before, prior to general release we would like to give you this advanced notice and **invite you to attend** this growing event.

This year it will be **all-ticket, cost £2 per person** inclusive of a programme of the day’s event.

The bar will be open from early morning as will the kitchen which will serve hot and cold food most of the day. Car parking available with the club doors opening at 9am for a 10am start.

Entrance is by prepaid ticket available by **contacting** the Risbygate office on 01284 755468. If answerphone leave your name and number and we will return your call alternatively email manager@risbygatesportsclub.co.uk .
