

PERSONAL SPIRIT GUIDE PORTRAITS

The Compassionates have agreed to support me in the service of drawing personal spirit guide portraits for my clients. The drawing includes a personal 1- hour reading/communication with Mary and your guide! To keep our communications clear there must be an understanding of expectations. The items below explain the conditions of this contract:

- ~ This request confirms an agreement for me to openly discuss with your guides on your behalf, as to what would the most beneficial portrait/energy for you to experience is, at this time.**
- ~ The guides will determine which of them will come forward.**
- ~ You will receive a 10x14 drawing in chalk pastel on drawing paper.**
- ~ The drawing will be of the face only unless the guide directs me otherwise.**
- ~ Allow two weeks for completion unless otherwise noted.**
- ~ Reading and drawing must be delivered at the same time.**
- ~ Deposit of \$100 due upon scheduling with remainder due at delivery/reading.**

Scheduling assumes that you agree to these terms. You may feel a stronger presence within upon scheduling as you are agreeing with your guides to open to you mentally, physically, emotionally and spiritually. As a more conscious partner with them you will begin to communicate regularly; ask all kinds of questions, ask for more energy, chakra balancing, let them help you open your third-eye, talk to the angels more clearly. The list is unlimited!!

Portrait/reading package is just \$333!!
