POLELATHE TUITION

Available at Amberley

(One)

THE TASTER COURSE

use a Polelathe

(4 hr session)

Due to popular demand Colin will be running taster courses. This will cover the polelathe only. All wood will be prepared and ready for the lathe in advance, by Colin Wells, so you will be able to get straight on with learning to turn and produce an item by the end of a four hour session. Course will start at 10am and finish approx 3pm (allowing for a break) Learn to use a polelathe, turning wood with a roughing out and smoothing chisel plus learn to turn a bead and use a friction wire all for only £50.00 per head. Contact Colin - [click here](#) - and sort out a date that is mutually agreeable and then come on down.
