

Education@Amberley

Our education team provides a professional service for visiting schools, groups and individuals. We enable visitors young and old to discover more through talks, workshops and hands-on activities.

We are currently developing an outdoor learning programme involving heritage skills. For information please email education@amberleymuseum.co.uk.

Craft courses

Some of our traditional craftspeople, including our blacksmith, potter, stained glass maker and bodger, offer courses on site. For information please visit our website.

Amberley Museum is a registered charity and we work to preserve the Museum and its heritage for the future.

To support us you can:

- help as part of the 'Friends of Amberley Museum'
 - become an annual member
 - make a Gift Aid donation
 - leave a legacy in your will to us
 - sponsor a special event
 - join us as a volunteer.
- To discuss how you would like to help please get in touch.

The Limeburners Cafe serves hot and cold lunches as well as drinks and snacks.

The Fairmile Cafe opens on some event days, serving drinks, afternoon teas and snacks.

Picnic areas are available across the site.

The gift shop sells Museum souvenirs, gifts and books and the 'Friends' run a bric-a-brac shop. Every purchase you make supports our work.

Membership Get free entry for a year (except evening and Christmas events) and receive discounts in the shop and cafe. Join on the day of your visit to get your standard day admission refunded. Full Ts and Cs online.

Accessibility We have mainly flat ground and some gravel paths. If you have questions regarding accessibility, please contact the Museum office in advance of your visit.

AMBERLEY MUSEUM & HERITAGE CENTRE
 DISCOVER · LEARN · HAVE FUN

amberleymuseum.co.uk

Amberley Museum brings to life the industrial and transport heritage of Sussex and allows you to explore exhibits dating back to the 19th century.

Covering 36 acres with over 40 buildings, it was once a busy chalk quarry and limeworks. Buildings and kilns are preserved alongside others rescued and erected here to display and house our exhibits.

"Thoroughly enjoyed our visit today very educational & lots for the children to do. Ideal family day out."

Vintage Fun and Rural Crafts

The narrow gauge railway and bus provide free transport to explore the site, offering many opportunities to get up close to commercial vehicles, rail and road steam engines.

We aim to have a train and bus running daily but due to the historic nature of the vehicles this cannot be guaranteed.

Age-old skills are kept alive by craftspeople and volunteers working to traditional methods. Woodturners, potters, stained glass maker, blacksmith, stick makers, wheelwrights, printers and greenwood workers are all based here.

You can expect to see at least three crafts demonstrated on your visit, but this depends on the schedules of the individual craftspeople. If there is a particular craft you would like to see, please contact the Museum office in advance of your visit.

"Totally accessible and welcoming for my disabled son. Amazing."
