

TAD White Multifold Towels

Item # H3175A

Item Number:	H3175A	Sheets per Case:	2,800
Basis Weight Target:	18.0	Cases per Pallet:	63
Sheet Size:	9.25" x 9.50"	Case Cube:	1.46 cubic feet
Sheets per Pack:	175	Shipping Weight:	11.3 lbs
Packs per Case:	16		

Through Air-Dried Technology

Through Air-Dried (TAD) technology is a process through which the sheet is dried by passing air through the sheet as compared to the conventional dry or wet crepe paper machine process which uses heated dryer rolls. This TAD process results in a softer, stronger, and more absorbent sheet - which equates to more hand-dries per case.

Made in the U.S.A.
