Minis

Come and discover the exciting new sport of Mountain Trail Challenges!

Mountain trail is a unique way to build a partnership between a horse and rider. The perfect mountain trail horse will pick its way through obstacles with boldness and confidence while displaying bright expression and focus.

IMTCA certified Judge Ashley Gruber will show you how to use natural horsemanship techniques to introduce your horse to different obstacles both in hand and under saddle. You will learn the IMTCA rules and scoring system, proper tack and attire, and how to find the right level for you and your equine partner to start to compete in challenges.

The clinic will start with in hand exercises and obstacles at 1:00 pm followed by a break to tack up, then riding techniques and obstacle work.

\$35.00/Adult \$25.00/Youth, Family (1 adult, 2 or more youth) or 4-H Group package \$20.00 per rider

For more information contact Ashley @ (330)222-1984 or ashley.gruber75@yahoo.com

Pre-registration is appreciated, but not required.
