

Dunnville Grand Tour

Tour Guide

Welcome to the Dunnville Grand Tour

This year's tour starts and finishes at Dunnville Lions Park. Choose from a 25 km, 50 km, 75km or 100 km leisurely ride through Haldimand County's beautiful lakeshore and quiet back roads.

What time does the event start?

The 100 km riders will leave from Lions Park at 8:00am, followed by the 75 km at 8:30 am, the 50 km at 9:00 am and the 25 km at 9:30am. 10 cyclists will be launched at a time. However, you always have the option of riding alone or with a group.

On-site registration will be open by 7:00 am.

What if I get tired and want to short-cut my ride?

This is a leisure event and not a race. All riders will receive the newest Haldimand County bicycle map. If you decide that you want to take a short-cut to the finish, please feel free to do so. However, we recommend following the marked routes. Please note that SAG vehicles only patrol the designated routes.

What if I get hurt or too tired to finish?

Communication services are available at every rest stop. If you need assistance or wish to return to Lions Park, volunteers at the rest stops will arrange for transportation. Sweep riders will be following riders with first aid supplies. If you are unable to continue en route, please wait and help will be along. You might consider bringing along a cell phone as well. For a serious emergencies call 911. For non-urgent assistance, contact the Dunnville Grand Tour headquarters at 905 741 2229

What time is lunch served?

We will start serving lunch at approximately 11 am, or when the first riders return, whichever comes first. We have plenty for everyone.

Where is lunch served?

Lunch will be served at the Country Chip Wagon (8232 Hwy 3 West) Tel: 905- 701- 0770 This can be your last rest stop or you may return to Lions Park and ride or drive to the Chip Wagon.

Directions to the Chip Wagon from Lions Park:

REST STOPS

The Dunnville Grand Tour will provide rest stops along every route. These rest stops offer complimentary refreshments, snacks, granola bars and fruit. Washroom facilities are available at every rest stop. Washroom facilities located between rest stops will be marked on the tour map.

Rest stop signs will be placed on the shoulder of the road to indicate the rest stops.

The Dunnville Grand Tour routes will be patrolled by ride marshalls. If you are unable to finish your ride, a ride marshal will transport you back to Lions Park. Support vehicles will be marked with a " SUPPORT VEHICLE " sign.

Each tour route will have directional arrows marked on the road surface.

Each direction change will be marked as follows:

- 3 arrows as you approach the intersection
- 1 arrow upon completion of the the turn

Directional arrows are colour coded.

The colour of the map you receive at registration identifies the arrow colour to follow.

Please check to confirm you've received the correct map. Once you leave the starting point, simply follow the color coded arrows.

Arrow colours are as follows:

100km

75km
