

**DRIVEWAY STORMWATER MANAGEMENT GRANT  
BRADFORD COUNTY CONSERVATION DISTRICT  
APPLICATION**

**OVERVIEW:**

The Bradford County Conservation District is offering technical assistance and grants of up to \$2,000.00 per site to address private driveways that are creating stormwater and/or sedimentation problems that directly impact road drainage systems and streams. Eligible projects will be evaluated utilizing the Bradford County Dirt and Gravel Roads Environmental Impact Scoring System. Funding will be allocated to the top scoring sites. Each municipality will be eligible for one site maximum unless there are insufficient sites, in which case top scoring sites for a second project will be awarded. Project applications must be submitted by the landowner.

**APPLICATION DEADLINE: July 1<sup>st</sup>, 2018**
