

GAPE ONE

CHICAGO BORN AND RAISED

THE FOUR SEASONS

GAPE IS A SELF-TAUGHT ARTIST AND HAS PRACTICED FOR AS LONG AS HE CAN REMEMBER

He went to school and became a software engineer for "Corporate America" for twelve years and in 2010, he decided to transition into a full-time artist.

Since, GAPE's skills continue to grow and progress as an artist.

...drawing inspiration from everyday life as he lives it.
