About This Guide

To better serve you, we have compiled pricing for our most sought-after products. Though we strive to keep this information as up to date as possible, prices may fluctuate as a result of stock changes or other variables outside of our control. All pricing is based on supplied print ready PDF files. Taxes, shipping and artwork setup are not included. Please contact us for personalized quotes. One of our knowledgeable sales representatives will be happy to help you!

How To Use This Guide

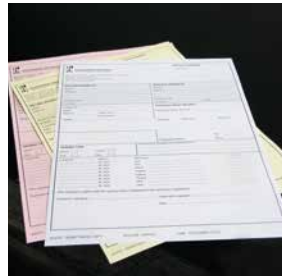

These symbols will tell you what extra options are available for each product. Refer to the legend on page two for clarification.

The first section of the pricing table gives you the name and size of the product, as well as colour information.

4/0 = Full Colour 1 Side
4/Black = Full Colour 1 Side, Black 1 Side
4/4 = Full Colour 2 Sides
Black/0 = Black 1 Side

Here you will see the name and description of the product. Descriptions will include how the job is printed and the stock it's printed on.

The second & third sections of the pricing table give pricing per specific quantities.
