Subject: Meeting today

Good morning all

Due to other committments by the executive the meeting today will be postponed until Thursday 3rd May.

A reminder that the inaugural triathlon will be held along with the UFO Festival on the 7th May and we are needing as many hands on deck to assist where they can for these events. Remember the Chamber assists with these much needed events to bring business to Cardwell and ultimately your business so many hands make light work. Please try to attend the meeting on the 3rd.
