Crowborough Bridge Club

We are a relaxed and friendly club, comprised of players with a wide range of abilities, from a Premier Grand Master, good players to improvers of various levels. If your standard is improver or better you are most welcome to join and every effort will be made to find you a partner if required, but of course it's easier if you bring your own partner. We have a host on Thursday afternoons and Friday evenings for those who are without a partner on those days.

Crowborough Vale WI

We hold friendly meetings with the general business of the group, feedback from our spin off groups and an interesting speaker every month, a raffle, a competition, a cup of tea and a chat to finish off. Please feel free to join us at any meeting. You will not be on your own when you walk through the door; we will make you welcome and ensure you have a pleasant evening.

Fiction Addiction Book Club

Books are nominated by members and we compile a list at the beginning of the year, so that books that might take longer to read can be placed at the end of the year, and members can start reading well in advance. We use generic questions to aid discussion, and we have a choice of two books each month – some members will have read only one book, other's both. We usually start the evening with tea/coffee.
